Project Manager
Why Are We Here?

1. Support more than 140,000 clinicians in their practice transformation work
2. Improve health outcomes for millions of Medicare, Medicaid and CHIP beneficiaries and other patients
3. Reduce unnecessary hospitalizations for 5 million patients
4. Generate $1 to $4 billion in savings to the federal government and commercial payers
5. Sustain efficient care delivery by reducing unnecessary testing and procedures
6. Transition 75% of practices completing the program to participate in Alternative Payment Models
7. Build the evidence base on practice transformation so that effective solutions can be scaled
