New: 2017 Performance Scores Now Available

MIPS Clinicians: View Your Performance Scores for 2017 Claims Data

MIPS clinicians who submitted 2017 Quality performance data via claims, can now view their scores through the [MIPS data submission system](#).

Reminder: Claims data submission is only an option for ECs participating in MIPS as an individual (not as part of a group).

Submitting Quality Performance Data via Claims

Claims-based quality measures are calculated automatically by CMS based on the Quality Data Codes (G-codes) submitted. Simply login at qpp.cms.gov and view your calculated individual measures' scores and category score for program year 2017.

Please note, it's possible claims or adjustments submitted towards the end of 2017 have not yet processed. Please check back after **March 31, 2018**.

Still Time to Submit Claims for 2017

If you still have 2017 claims to submit for the Quality performance category, be sure to submit them now. The deadline for submitting Quality data via claims is **March 1, 2018**.
